Thank you for submitting previously requested document(s) required to verify the information you provided on your 2008-09 Free Application for Federal Student Aid (FAFSA). Upon a careful review of the document(s) you submitted, we determined that additional information is needed.

You must report the asset (net worth) of any investment, business and/or cash, savings, and checking that you and/or your parents had at the time the original FAFSA was completed. In some cases, this information is required when corrections must be made to the FAFSA.
