Stafford Loan Information

MTSU Financial Aid Office Web site: www.mtsu.edu/financialaid

Listed below is information regarding Stafford Loans.

- You must be admitted into a degree-seeking program.
- You must be enrolled for at least half-time (6 credit hours) to receive Stafford Loans.
- For students graduating in the Fall semester, federal regulations require that Stafford loan amounts be **prorated** based on the number of hours enrolled.
- Loan amounts may be reduced if additional awards are received after the loan is processed. Also, if your enrollment status (out-of-state to instate) changes, current and/or future loan amounts may be cancelled.
- If you drop below half-time within the first 14 days of classes, your Stafford loan may be cancelled and you may owe money back to the University.
- Master Promissory Note (MPN): First-time Stafford loan borrowers or **borrowers choosing a new lender** must complete a MPN before the loan proceeds will be sent to MTSU. You may sign the [MPN](#) electronically online on the lender's Web site.
- First-time loan borrowers must complete an Entrance Interview at www.mtsu.edu/financialaid.
- Stafford loans for the Fall term may be processed before we evaluate Satisfactory Academic Progress (SAP) following enrollment in the Summer term; therefore, **if it is determined that you are not making SAP, your financial aid will be cancelled.**
To review the SAP policy, go to <http://financialaid.web.mtsu.edu/sap.htm>.
- If you are a transfer student, your financial aid may not be processed until your academic transcripts have been evaluated.
- **If your professor(s) reports that you never attended or stopped attending your class(es), your loan may be cancelled or reduced; you may owe a balance to MTSU.**
